NOTE FOR: Bernie McMahon, Staff Director  
Select Committee on Intelligence  
United States Senate

SUBJECT: Review of Staff Reports on the  
Philippines

*Bernie:*

This is a follow-up note to the telephone discussion on 24 October between Marvin Ott of your staff and [redacted] I want to be sure that the thrust of [redacted] Marvin is clear to you. There wasn't enough time for careful review of the reports. As a result, the review was only for the protection of sources and methods and should not be considered approval by the Agency for declassifying the documents. Moreover, the review should not be taken to reflect agreement with the substance of the reports, nor does it indicate our concurrence in the release of the sanitized version.
